2. Scope of License

Subject to your compliance with this Agreement, the Licensor grants you a limited, non-exclusive, non-transferable, non-sublicensable, revocable license to download and use one copy of the Licensed

Application on Devices that you own or control, solely for your personal, non-commercial use, in accordance with the usage rules of the applicable App Distributor.

You may not: (a) rent, lease, lend, sell, redistribute, or sublicense the App; (b) copy (except as expressly permitted), decompile, reverse engineer, disassemble, or attempt to derive the source code of the App, except to the extent applicable law prohibits this restriction; (c) modify or create derivative works of the App; (d) remove or alter any proprietary notices; or (e) use the App for any unlawful purpose or in any way that could damage or impair the App or the Services.

3. Technical Requirements

The Licensed Application requires a compatible iOS or Android device, an internet connection for cloud-based analysis, and permission to access your camera and photos to submit images. 5. User Submissions

The App allows you to submit photographs, notes, and related information (your "Submissions") so it can provide diagnostic results. Your Submissions are handled in accordance with our Privacy Policy. Submissions are generally private to your account and are not published to other users. When you make a Submission, you represent and warrant that:

- You own the Submission or have all rights, consents, and permissions necessary to submit it and to grant the license below.

We may use de-identified or aggregated data to improve our models. If you provide feedback or suggestions, you agree we may use them without restriction or compensation.

7. Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE LICENSED APPLICATION IS PROVIDED "AS IS" AND "AS AVAILABLE," AND YOUR USE OF IT IS AT YOUR OWN RISK. DIAGNOSTIC RESULTS AND REPAIR GUIDANCE ARE

Except for this limited warranty and to the maximum extent permitted by law, the App is provided without warranties of any kind, express or implied, including implied warranties of merchantability, fitness for a particular purpose, and non-infringement. No warranty applies to an App that has been modified without authorization, used with incompatible hardware or software, or affected by causes outside the Licensor's control.

If the App fails to conform to any applicable warranty, you may notify the applicable App Distributor, and it may refund the purchase price (if any). To the maximum extent permitted by law, the App Distributor will have no other warranty obligation with respect to the App.

11. Termination

This license is effective until terminated by you or AM Solutions, LLC. Your rights terminate automatically if you fail to comply with any term of this Agreement. 13. Intellectual Property Rights

As between you and AM Solutions, LLC, AM Solutions, LLC owns or licenses all intellectual-property rights in the App, other than your Submissions.
